Dear Chef Francesco Valentini:

On behalf of Kahala Elementary School PTO, we would like to extend our sincerest appreciation and gratitude for helping to make our 50th Anniversary, Teacher's Appreciation Luncheon an especially cherished event.

Our main objective was to create a memorable event that would truly reflect the appreciation and gratitude we have toward the teachers and staff that help to educate and nurture our students.

Your personal catering services and the wonderfully delicious cuisine prepared for our teachers and staff was the "successful ingredient" that helped to achieve our goal.

We continue to receive raving compliments on the meal that you prepared and the ambiance you helped create with your presence and food.

Thank you very much.

Sincerely,
