Dear Mr. Valentini:

We would like to thank you for the job you did for our wine tasting event held at Zanzabar Night Club VIP Room on June 28th.

The event was successful and our guests totally enjoyed in every aspect. The food perfectly compromised our wines not only with taste but also with presentation. The homemade Lobster Ravioli served at the pasta station was absolutely delicious. The service was well mannered, experienced and punctual. Chef Valentini understood exactly what the guests need and made us feel comfortable to work with.

We are looking forward to working with him again in the next event.

Sincerely,
